

Dear Parents and Guardians of the Warsaw School District:

Food for Thoughts - Hancock County is a county-wide food program for families. In affiliation with FFT, the Warsaw District has a School Food Pantry. Parents/Guardians may sign up for this program with this form. There is no additional verification needed.

This FFT Food Pantry Program will work on an opt-in basis. If you are interested in having your family participate, please fill out and return this form. Our District will provide food every-other-week. The food pantry will be open on Thursdays from 4p-6p, parents/guardians will need to stop by to pick out food items.

FFT-Hancock County is affiliated with River Bend Food Bank, and as part of that connection, we also need to know the number of people in the home (see below).

If you have any questions or would like more information, please contact the school and the FFT Team will be happy to meet with you. We appreciate the opportunity to partner with Food for Thoughts-Hancock County and hope this food program is beneficial for your family.

Regards,
Katrina Nixon, Superintendent

I would like to receive food from the School Food Pantry.
